

**Town of Superior  
Historical Commission Meeting  
Notes  
July 18, 2014**

Members of the Commission in attendance: Larry Dorsey, Bob Morgan, Karen Waligorski, Errol Waligorski, Walt Ackerman, Mary Cartwright, Jill Roberts.

Others in attendance: Maureen Hogg, David Cartwright, Gerald Zancanelli, Bryan Meyer (Staff).

Agenda Items:

1. Debriefing – June and early July.
  - a. Staff provided an update to the Commission regarding an inspection on the current structural condition of the Hake Homestead in Grasso Park by Milo Construction. The Commission would like to re-visit Grasso Park in August with the goal of prioritizing potential repairs identified during the inspection.
  - b. The group agreed that everything went well during the July 4 Town Event. Those walking in the parade collected a significant number of donations to be put toward the historic fire truck restoration.
  - c. The Museum received a good turn-out during the July 5 opening. Close to 20 visitors came through.
  - d. On July 7, Larry Dorsey, Karen Waligorski, Errol Waligorski, and Mary Cartwright, along with Town staff, took a tour of the cemetery with Lee Merritt and Pam Lehman of Ranch Capital. The site visit was very beneficial in allowing Commission members to see the current impact of construction activity outside of the cemetery's perimeter gate and ask questions of Ranch Capital.
2. Discussion – Fire truck funding. The group discussed Superior resident Clint Folsom's recent research and communication with individuals who may be of assistance with the historic fire truck restoration project.
3. Discussion – Museum window shades. Staff has contacted Lowe's and is awaiting a response for scheduling of a custom window shade measurement at the museum.
4. Discussion – Thank you cards. Karen Waligorski wanted to acknowledge on behalf of the Commission that a thank you card was sent to Danny Kupfner for his donation of a water pump.
5. Discussion – Museum signs. The group passed around two different options of museum operating hour signs that were designed by Allyn Jarrett. A decision was made to post one on the back door of the museum and one on the front door.
6. Discussion – Industrial Mine archaeological project. Kathryn Barth has suggested the Commission work with Boulder County and the Archaeology Institute of America to conduct an archaeological dig at the Industrial Mine Site. The

Commission agreed that the most logical next step in this project is to invite Kathryn Barth and Anne Robinson to the August 15 Historical Commission meeting. Karen Waligorski will be contacting Kathryn.

7. Discussion – Maureen Hogg project. Maureen Hogg updated the group with her goal of submitting a revision to Wikipedia regarding the Town's founding and incorporated dates listed for Superior, Colorado on the Wikipedia site.
8. Discussion – Fall Tombstone Tour. A motion was made to cancel the Fall Tombstone Tour for 2014 due to likely logistical complications for participants accessing the site. The motion passed.

Next Meeting: August 15, 2014, Town Hall, 10:00 a.m.
